

SAPTAGIR CAMPHOR PRIVATE LIMITED

AN ISO 9001:2015 CERTIFIED COMPANY

ENVIRONMENT POLICY

OBJECTIVE

Saptagir Camphor Private Limited (SCPL) places top priority on Environment to implement held by SCPL, its business partners and employees.

SCOPE

This Environment policy is applicable to all the employees of Saptagir (including independent contractors, temporary workers and similar).

RESPONSIBILITIES

The responsibility of implementing the contents of the policy and to make the necessary updates as required lies with the management.

OVERVIEW

At Saptagir Camphor Private Limited, we are committed to a long-term sustainable approach to caring for and safeguarding the environment. Specifically, "sustainability" means that we constantly endeavour to balance environmental considerations and social responsibility with our business goals. As a result, we strive to evolve and implement our Environmental Policy – in addition to complying with environmental laws and regulations.

Over the long-run, only a sustainable approach will benefit the consumers, customers, shareholders, associates and communities we serve by both meeting our business goals and protecting and improving the quality of the environment in which we all live.

Our intent is to use the findings to inform and continue to evolve our environmental strategy, as well as provide a benchmark for our future efforts.

POLICIES

Saptagir Camphor Private Limited recognizes that effective management of environment impacts is a fundamental part of our business. We shall strive to integrate sound environmental practices across the management and governance systems to minimize environmental impacts and attain a leadership position in environmental stewardship.

SCPL shall endeavour to:

- Maintain positive legal compliance to environmental regulations and conform to the requirements of SCPL Framework;

SAPTAGIR CAMPHOR PRIVATE LIMITED
AN ISO 9001:2015 CERTIFIED COMPANY

ENVIRONMENT POLICY

- Progressively develop, implement and maintain an internationally accepted environmental management system in our operations and new projects;
- Take initiatives towards efficient use of natural resources and energy; reduction and prevention of pollution; and promoting waste avoidance and recycling measures in line with internationally disseminated technologies and practices;
- Enhance environmental awareness through participation and consultation with employees and contractors by training and effective channels of communication;
- Engage with internal and external stakeholders and wider communities to broaden our understanding of environmental priorities, their links to global issues and initiate actions on key environmental challenges;
- Influence our contractors and suppliers to adopt the SCPL environmental policies, principles and practices and encourage appropriate environmental management across the supply and value chain;
- Continually improve environmental performance of current and future products, services and infrastructure of SCPL;
- Monitor, measure, report the progress, performance of environmental conservation and management initiatives in compliance with internationally recognized protocols and communicate approach and achievements to relevant stakeholders.

This policy shall be reviewed for every three years or before based on the necessity for its suitability and updated as necessary.
