An ISO 9001:2015 Certified Company

SUSTAINABLE PROCUREMENT POLICY

We at **Saptagir Camphor Private Limited (SCPL)** incorporated **Sustainable Procurement** into our business philosophy to address social, economic and environmental considerations in our supply chain life cycle in ways that offer real long term benefits to the economy, to the community and to the environment.

Through this Sustainable procurement policy, we intend to make our operations more effective by:

- Encouraging the purchase and use of materials, products and services that best align with our environmental, social, economic and performance goals
- Preferring local purchase of products, materials & services wherever possible & available.
- Upholding the laws and regulations of the respective countries we operate in
- Endorsing highest standards of economic, social, ethical and environmental practices
- Identifying and moderating risks associated with our procurement process
- Purchasing from suppliers that follow sustainable labour practices
- Purchasing from suppliers complying to all applicable compliance obligations but not limited to Environmental, social & health & safety legislations
- Communicating the policy with all our stakeholders (internal and external) and raising awareness among our suppliers
-

This policy shall be reviewed for every three years or before based on the necessity for its suitability and updated as necessary.
